Dear Ron:

We would like to thank you and the folks at Royal Electric for the holiday greetings and the tins of nuts that you sent to our office. It is a real luxury to have mixed nuts; we are both almond and cashew fans, and we were well indulged.

Special thanks to you, too, for the excellent working relationship that you have established with the Buckeye Valley Schools. You and your company are top notch professionals, and everyone was efficient and cooperative at all times. It has been a real pleasure to work with you all. }

Best wishes for a prosperous and healthy new year!

Sincerely,
